

# THURSTON HAMISH THOMSON

I am an award-winning sound engineer, composer & film maker based in Manchester with a passion for music & filmography. My work has been heard by audiences on every continent except Antarctica. I've been fortunate enough to work with many respected individuals including Miriam Margoyles, Mary Anne Hobbs, & Christopher Chaplin whilst my corporate work has seen me complete briefs for clients such as Call of Duty, Samsung & Black Magic.

SOUND ENGINEER  
COMPOSER

MANCHESTER
